NOTICE OF PENDENCY AND PARTIAL SETTLEMENT OF CLASS ACTION

TO: (1) ALL PERSONS WHO PURCHASED PUBLICLY TRADED SECURITIES OF ENRON CORPORATION (OR SECURITIES ISSUED BY ENRON-RELATED ENTITIES THE VALUE OR REPAYMENT OF WHICH WAS DEPENDENT ON THE CREDIT, FINANCIAL CONDITION, OR ABILITY TO PAY OF ENRON) DURING THE PERIOD FROM SEPTEMBER 9, 1997, THROUGH AND INCLUDING NOVEMBER 27, 2001, AND (2) ALL PARTICIPANTS IN THE ENRON CORPORATION SAVINGS PLAN, THE ENRON ESOP PLAN, THE ENRON CASH BALANCE PLAN, AND SUCH PLANS THEMSELVES, AND ALL RECIPIENTS OF ANY "PHANTOM STOCK" THAT EMPLOYEES OF ENRON RECEIVED AS COMPENSATION, DURING THE PERIOD FROM NOVEMBER 27, 1995, THROUGH AND INCLUDING NOVEMBER 26, 2001.

This Notice of Pendency and Partial Settlement of Class Action (the "Notice") is given pursuant to Rule 23 of the Federal Rules of Civil Procedure to inform you of the proposed partial settlement of these Actions (the "Settlement") and the hearing (the "Settlement Hearing") to be held by the United States District Court for the Southern District of Texas (the "Court") to consider the fairness, reasonableness and adequacy of the Settlement as set forth in the Stipulation of Settlement among the Representative Plaintiffs and Andersen Worldwide Societe Cooperative ("AWSC," as further defined below), dated as of August 29, 2002 (the "Stipulation"), on file with the Court. **THIS SETTLEMENT DOES NOT RELEASE OR OTHERWISE COMPROMISE ANY CLAIMS BY ANY PERSONS AGAINST ARTHUR ANDERSEN LLP, WHICH WAS THE AWSC MEMBER FIRM THAT PROVIDED AUDITING AND OTHER PROFESSIONAL SERVICES IN THE UNITED STATES, OR ANY OF ARTHUR ANDERSEN LLP'S PARTNERS.** All capitalized terms not defined prior to their use in this Notice have the meanings set forth in Part IX, below.

I. STATEMENT OF PLAINTIFF RECOVERY

The Settlement will result in the creation of a cash settlement fund in the aggregate principal amount of Forty Million (\$40,000,000) Dollars (the "Gross Settlement Fund"), which, subject to deduction for costs of notice and administration and for attorneys' fees, costs and expenses as approved by the Court, will be available for distribution to Settlement Class Members (as defined below). As described more fully below, the amount of any distribution to Settlement Class Members on a per share basis will depend on future Court proceedings and it is therefore not possible to estimate the amount of any such distribution at the present time. See Part XII.

II. STATEMENT OF POTENTIAL OUTCOME

Representative Plaintiffs and AWSC do not agree on the average amount of damages per share that would have been recoverable from AWSC or the Defendant Member Firms (as defined below) if Representative Plaintiffs were to have prevailed on each claim asserted. The issues on which the parties disagree include (1) whether the Court has jurisdiction over AWSC and the Defendant Member Firms; (2) whether AWSC and the Defendant Member Firms engaged in conduct that would give rise to any liability to the Settlement Class under the federal securities laws, the Employee Retirement Income Security Act ("ERISA"), the Racketeer Influenced and Corrupt Organizations Act ("RICO"), Texas common law, or any other laws; (3) the appropriate economic model for determining the amount by which the publicly traded securities of Enron ("Enron Securities") were allegedly artificially inflated (if at all) during the Settlement Class Period; (4) the amount by which the Enron Securities were allegedly artificially inflated (if at all) during the Settlement Class Period; (5) the effect of various market forces influencing the trading price of Enron Securities at various times during the Settlement Class Period; (6) the extent to which

external factors, such as general market conditions, influenced the trading price of Enron Securities at various times during the Settlement Class Period; (7) the extent to which the various matters that Representative Plaintiffs alleged were materially false or misleading influenced (if at all) the trading price of Enron Securities at various times during the Settlement Class Period; (8) the extent to which the various allegedly adverse material facts that Representative Plaintiffs alleged were omitted influenced (if at all) the trading price of the Enron Securities at various times during the Settlement Class Period; (9) the extent, if any, to which the actions of AWSC and the Defendant Member Firms caused damages under ERISA, RICO, or Texas common law; (10) the appropriate measure of damages, if any, for violations of ERISA, RICO, and Texas common law; and (11) whether the statements made or facts allegedly omitted were false, material or otherwise actionable under the federal securities or other laws.

III. ALLOCATION OF GROSS SETTLEMENT FUND AMONG THE ACTIONS

The Representative Plaintiffs have agreed that the Gross Settlement Fund, less any amounts approved by the Court for allocation to the Expense Fund, will be allocated between the Newby Action and the WSIB Action, on the one hand, and the Tittle Action, on the other, by confidential, binding, non-appealable arbitration. Promptly after the arbitrator has ruled and upon further notice to the Settlement Class and an opportunity to be heard, the Representative Plaintiffs will present the arbitration decision to the Court for approval. Settlement Class Members, other than the Representative Plaintiffs, will have the right to challenge the decision of the arbitrator in those proceedings.

The arbitration proceedings described in the preceding paragraph are not part of the settlement among the Representative Plaintiffs and AWSC, and will not affect or delay the finality of the settlement among the Representative Plaintiffs and AWSC.

IV. STATEMENT OF ATTORNEYS' FEES AND EXPENSES SOUGHT

At a future date, upon further notice to the Settlement Class, counsel for the Representative Plaintiffs will apply to the Court for an award of attorneys' fees from the Gross Settlement Fund. No attorneys' fees are being sought at this time. However, the Stipulation provides for the allocation of Fifteen Million (\$15,000,000) Dollars of the Gross Settlement Fund for reimbursement of expenses expected to be incurred by Plaintiffs' Settlement Counsel in prosecuting the Actions against the remaining Defendants. The Court will be asked to approve that allocation at the Settlement Hearing, and to divide the total amount allocated for such expenses between the Newby and WSIB Actions, on the one hand, and the Tittle Action, on the other, with the Newby and WSIB Actions receiving 80.5 percent of such total amount and the Tittle Action receiving the remaining 19.5 percent of such total amount.

V. REASONS FOR SETTLEMENT

The parties to this Settlement believe that it is fair, reasonable, and adequate to the Members of the Settlement Class. The parties have reached this conclusion after investigating and considering, among other things, the strengths and weaknesses of the Representative Plaintiffs' claims against AWSC and the Defendant Member Firms, the uncertainties of this complex litigation, and the benefit provided by the Settlement to the Members of the Settlement Class. See Part VIII.

VII. BACKGROUND OF THE LITIGATION

AWSC and the Defendant Member Firms have been named as defendants in the Actions (defined below). AWSC and the Defendant Member Firms moved to dismiss the Actions on the following grounds:

1. The Court lacks personal jurisdiction over AWSC and the Defendant Member Firms.
2. The complaints fail to state a claim upon which relief can be granted because plaintiffs failed to allege facts that would sustain a claim that AWSC and the Defendant Member Firms engaged in any actionable conduct or that they should be held liable for the actions of any of the other defendants named in the Actions.

VIII. BACKGROUND OF THE SETTLEMENT

Counsel for the Representative Plaintiffs have conducted an investigation relating to the claims and underlying events alleged in the complaints. Counsel for the Representative Plaintiffs also have conducted considerable informal discovery in the Actions and in related litigation and have analyzed the evidence obtained therein, and have researched the applicable law with respect to the claims alleged in the complaints and the potential defenses thereto.

The Representative Plaintiffs, by their counsel, have conducted arms'-length negotiations with counsel for AWSC with a view toward settling the issues in dispute and achieving the best result possible consistent with the interests of the Settlement Class.

Based upon their investigation, counsel for the Representative Plaintiffs have concluded that the terms of the Settlement as set forth in the Stipulation are fair, reasonable, and adequate to the Representative Plaintiffs and the Settlement Class, and in the best interest of the Representative Plaintiffs and the Settlement Class, and have agreed to settle the Actions as to the Released Entities pursuant to the terms and provisions of the Stipulation, after considering (i) the benefits that the Representative Plaintiffs and the Settlement Class will receive from the Settlement; (ii) the attendant risks of litigation; and (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of the Stipulation.

AWSC denies any and all wrongdoing whatsoever and the Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any party thereto with respect to any claim or of any fault or liability or wrongdoing or damage whatsoever, or any infirmity in the defenses that any party thereto has asserted, or any admission that they are subject to the jurisdiction of the Court. AWSC has asserted, and continues to assert, that all claims and contentions raised in the Actions are without merit, and continues to deny all charges of wrongdoing or liability with respect to each and all of the claims and contentions that were alleged or that could have been alleged in the Actions, including without limitation all contentions concerning the conduct of AWSC and the Defendant Member Firms, as well as the contentions that such conduct constitutes wrongdoing or gives rise to legal liability or has caused damage to the Representative Plaintiffs or the Settlement Class. In addition, AWSC has repeatedly asserted and continues to assert alleged defenses to the claims and contentions of the Representative Plaintiffs and the Settlement Class, and notwithstanding the Stipulation, AWSC expressly asserts that it believes that these defenses have merit and that AWSC has no liability to the Representative Plaintiffs or the Settlement Class. Nonetheless, AWSC has concluded that further conduct of the Actions as to these issues would be expensive, and that it is desirable and in the best interests of AWSC fully and finally to settle and terminate the Representative Plaintiffs' and the Settlement Class' claims against the Released Entities so as to limit the inconvenience and distraction of the Released Entities and their present and former personnel, to put to rest any and all claims that were or could have been asserted in this action or that arise out of the matters set forth in the complaints, and to avoid the further expense and burdens of continued litigation, without in any way acknowledging any fault or liability. AWSC also has taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like this one. AWSC has, therefore, determined that it is desirable and in its best interests that the Actions be settled upon the terms and conditions set forth in the Stipulation. Neither the Stipulation, nor any document referred to therein, nor any action taken to carry out the Stipulation, is or may be construed or used as an admission by or against any party thereto of any fault, wrongdoing or liability whatsoever. There has been no determination by any court, administrative agency, or other tribunal as to the factual allegations made against AWSC and the Defendant Member Firms.

THE COURT HAS NOT FINALLY DETERMINED THE MERITS OF THE REPRESENTATIVE PLAINTIFFS' CLAIMS IN THE NEWBY AND TITTLE CONSOLIDATED ACTIONS OR THE DEFENSES THERETO. THIS NOTICE IS NOT INTENDED TO BE, AND SHOULD NOT BE CONSTRUED AS, AN EXPRESSION OF ANY OPINION BY THE COURT WITH RESPECT TO THE TRUTH OF THE ALLEGATIONS IN THE ACTIONS OR THE MERITS OF THE CLAIMS OR DEFENSES ASSERTED. THIS NOTICE IS SOLELY TO ADVISE YOU OF THE PENDENCY OF THE ACTION AND THE PROPOSED PARTIAL SETTLEMENT THEREOF AND OF YOUR RIGHTS IN CONNECTION THEREWITH.

With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Representative Plaintiffs shall expressly waive, and each of the Settlement Class Members shall be deemed to have waived and by operation of the Judgment shall have waived, the provisions, rights and benefits of California Civil Code §1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

The Representative Plaintiffs shall expressly waive, and each of the Settlement Class Members shall be deemed to have waived and by operation of the Judgment shall have waived, any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, that is similar, comparable or equivalent to California Civil Code §1542. The Representative Plaintiffs and Settlement Class Members may hereafter discover facts in addition to or different from those that any of them now knows or believes to be true with respect to the subject matter of the Released Claims, but each Representative Plaintiff shall expressly have, and each Settlement Class Member shall be deemed to have and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, that now exist, or heretofore have existed upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Representative Plaintiffs acknowledge, and the Settlement Class Members shall be deemed to have acknowledged and by operation of the Judgment shall have acknowledged, that the foregoing waiver was separately bargained for and a key element of the settlement of which this release is a part.

36. "WSIB Action" means the action brought on behalf of all purchasers of the publicly traded equity and debt securities of Enron from September 9, 1997 through October 18, 1998, inclusive (excluding Defendants, the officers and directors of Enron, and members of their immediate families or their successors, heirs, and legal representatives), captioned *Washington State Investment Board, et al. v. Kenneth L. Lay, et al.*, Civil Action No. H-02-3401 (S.D. Tex.).

X. THE SETTLEMENT CLASS

By Order dated July 24, 2003, the Court certified the Settlement Class pursuant to Rules 23(b)(1) and 23(b)(3) of the Federal Rules of Civil Procedure, for the purpose of the Settlement only, and directed that this Notice be given to Members of the Settlement Class. If you are: (1) a purchaser or beneficiary of a purchaser of publicly traded securities of Enron during the period from September 9, 1997 through and including November 27, 2001; or (2) a participant (or beneficiary of a participant) in the Enron Corporation Savings Plan, the Enron ESOP Plan, or the Enron Cash Balance Plan during the period from November 27, 1995, through and including November 26, 2001; or (3) one of those plans yourself; or (4) the recipient of any "phantom stock" that employees (and their beneficiaries) received as compensation during the period from November 27, 1995, through and including November 26, 2001 (in each of the foregoing four instances excluding Defendants, the officers and directors of Enron, and members of their immediate families or their successors, heirs, and legal representatives); then you are a Settlement Class Member.

XI. THE RIGHTS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you may receive the benefit of, and you will be bound by, the terms of the proposed Settlement described in Part XII of this Notice, upon approval of the proposed Settlement by the Court.

If you are a member of both the Newby Settlement Class and the Tittle Settlement Class, or if you are a Member of the Tittle Settlement Class only, you may request to be excluded with respect to all Released Claims except for the Tittle ERISA Claims. Tittle Settlement Class Members cannot request to be excluded with respect to the Tittle ERISA Claims.

XII. TERMS OF THE PROPOSED SETTLEMENT

A settlement has been reached in the Actions between the Representative Plaintiffs and AWSC, the terms and conditions of which are set forth in the Stipulation and the Exhibits thereto. **THIS SETTLEMENT DOES NOT RELEASE OR OTHERWISE COMPROMISE ANY CLAIMS BY ANY PERSONS AGAINST ARTHUR ANDERSEN LLP, WHICH WAS THE AWSC MEMBER FIRM THAT PROVIDED AUDITING AND OTHER PROFESSIONAL SERVICES IN THE UNITED STATES, OR ANY OF ARTHUR ANDERSEN LLP'S PARTNERS.** The following description of the proposed Settlement is only a summary, and reference is made to the text of the Stipulation, on file with the Court, for a full statement of its provisions.

A. The Settlement Fund

1. The entire settlement fund (the "Gross Settlement Fund") consists of the aggregate principal amount of Forty Million (\$40,000,000) Dollars in cash, plus interest thereon, that has been placed into an interest-bearing account pursuant to the terms of the Stipulation. The Stipulation of Settlement provides for the establishment of an Expense Fund in the amount of Fifteen Million (\$15,000,000) Dollars, which shall be paid from, and not in addition to, the Gross Settlement Fund. At the Settlement Hearing, the Court will be asked to approve the establishment of the Expense Fund. The Expense Fund will be used, subject to the Court's future approvals, to reimburse Plaintiffs' Settlement Counsel for the expenses that they have incurred and expect to incur in the prosecution of the Actions against the remaining Defendants. A portion of the Gross Settlement Fund will also be used to pay for this Notice as well as taxes and tax return preparation expenses regarding the interest earned on the Gross Settlement Fund.

After further notice to the Settlement Class and an opportunity to be heard, the Gross Settlement Fund will be allocated by an order of the Court (the "Settlement Fund Decision Order") to the Newby and WSIB Actions on the one hand and the Tittle Action on the other. Also after further notice to the Settlement Class and an opportunity to be heard, Plaintiffs' Settlement Counsel will seek approval by the Court of a Plan of Allocation that will govern the calculation of Settlement Class Members' claims against the Gross Settlement Fund. Finally, in the future Newby Settlement Class Members (which include members of the class alleged in the WSIB Action) will be sent a Proof of Claim and Release form to establish their claims against the portion of the Gross Settlement Fund that is allocated to the Newby and WSIB Actions. At this point it has not been determined if Persons who are only Members of the Tittle Settlement Class, or certain subgroups of the Tittle Settlement Class, will be required to submit an individual Proof of Claim and Release form in order to receive their respective shares of the portion of the Gross Settlement Fund that is allocated to the Tittle Action.

Because of the aggregate amount of damages that Plaintiffs' Settlement Counsel assert were suffered by Settlement Class Members, it is not economically feasible to distribute the Gross Settlement Fund to Settlement Class Members at this time. Plaintiffs' Settlement Counsel anticipate that such distributions will occur in connection with additional recoveries against the remaining Defendants in the Actions.

B. Additional Consideration For The Settlement

In addition to the establishment of the Gross Settlement Fund, AWSC and the Defendant Member Firms have agreed voluntarily to provide documents and other information to Plaintiffs' Settlement Counsel that Plaintiffs' Settlement Counsel believe are related to the allegations of the complaints in the Actions. Plaintiffs' Settlement Counsel believe that this information may significantly assist them in the continued prosecution of the Actions against the remaining Defendants.

C. Releases

If the proposed Settlement is approved by the Court, the Court will enter an order (the "Order of Final Judgment and Dismissal") that will dismiss the Action with prejudice as to AWSC and the Defendant Member Firms. In addition, upon the Effective Date, all Settlement Class Members, on behalf of themselves, their successors and assigns, and any other Person claiming (now or in the future) through or on behalf of them, and regardless of whether any such Representative Plaintiff or Settlement Class Member ever seeks or obtains by any means, including without limitation by submitting a Proof of Claim and Release, any distribution from the Gross Settlement Fund, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against all Released Entities and shall have covenanted not to sue all such Released Entities with respect to all such Released Claims, and shall be permanently barred and enjoined from instituting, commencing, or prosecuting any such Released Claim against any Released Entity. In addition, subject to certain limitations set forth in the Stipulation, AWSC and the Defendant Member Firms will release the Representative Plaintiffs, the Settlement Class Members and Plaintiffs' Settlement Counsel from any claims relating to the prosecution of the Actions. **THIS SETTLEMENT DOES NOT RELEASE OR OTHERWISE COMPROMISE ANY CLAIMS BY ANY PERSONS AGAINST ARTHUR ANDERSEN LLP, WHICH WAS THE AWSC MEMBER FIRM THAT PROVIDED AUDITING AND OTHER PROFESSIONAL SERVICES IN THE UNITED STATES, OR ANY OF ARTHUR ANDERSEN LLP'S PARTNERS.** The Court shall retain jurisdiction over the Actions, including without limitation all matters with respect to implementation and enforcement of the terms of the Stipulation.

XIII. NOTICE TO BANKS, BROKERS AND OTHER NOMINEES

Banks, brokerage firms, institutions, and other persons who are nominees that purchased publicly traded securities of Enron for the beneficial interest of other persons as of any date from September 9, 1997 through and including November 27, 2001 are requested to, within ten (10) calendar days of receipt of this Notice, (1) provide the Notice and Claims Administrator with the names and addresses of such beneficial purchasers, or (2) forward a copy of this Notice to each such beneficial purchaser and provide Plaintiffs' Settlement Counsel with written confirmation that the Notice has been so forwarded. XIV. APPLICATION FOR ATTORNEYS' FEES, COSTS AND EXPENSES

Plaintiffs' Settlement Counsel do not intend to apply for an award of attorneys' fees at this time. As noted above, Plaintiffs' Settlement Counsel will ask the Court at the Settlement Hearing to approve the establishment of the Expense Fund. Any application for attorneys' fees and reimbursement of expenses not otherwise recovered from the Expense Fund will only occur after notice of that application to the Settlement Class and an opportunity to be heard. Any such sums as awarded by the Court will be paid from the Gross Settlement Fund.

XV. THE SETTLEMENT HEARING
